

FACTS

Tuition and Fees Management School Information System

We have implemented the FACTS Tuition Management and School Information System this year. All tuition, registration, and book fees will be made through FACTS. Lunch, Before School Care, and After School Care pre-pay payments will also be made through the FACTS online system. If your family qualifies to receive a scholarship, this amount will be credited to your account.

To set up your account and log in to the Parents Web go to:

<https://SJB-MO.client.renweb.com/pw>

You will then receive an email from RENWEB Customer Support and that link will take you back to use your password.

Next, click on "Financial" on the menu to the left of the screen.

Next, click "Financial Home" in the third box.

Next, click on "Set Up Payment Plan" at the bottom of the Payment Plan Billing Box. You will have payment plan options for monthly, quarterly, semi annual, or annual. You will then set up the date for payment that works best for your family.

Once you have completed these steps we will enter your tuition and fee charges.

Please call or email the school office if you have any questions. You may also call FACTS at 866-441-4637.

You will be able to view all accounts online to check your balances. You will receive an alert when your balance is getting low for lunch and/or before and after care. Grades and assignments will also be available for you to view online.
