

Archdiocesan Safe Environment Program Protecting God's Children

Please help us keep your children safe!

If you plan to volunteer this school year, you are required to complete the following items:

- **Attend “Protecting God’s Children” Workshop**
(For upcoming workshops go to the Archdiocesan website www.archstl.org)
- **Volunteer Background Check** (copy of Social Security Card is needed)
- **Acknowledge for Volunteer Screening Purposes Signature Form**
(We need this form on file so that we may submit your background check every two years if you plan to volunteer.)
- **Commitment to Ethical Conduct Signature Form**
- **Volunteer Driver Registration**
(If you plan to drive students for a school event, we will need copies of your Driver’s License, Insurance Card, and Vehicle Registration.)

If you have completed these forms in the past, you will be contacted by the school office if updates are needed.

If you are new to our school or have not volunteered in the past, please contact the school office for the required forms.

If you have any questions, please call the school office. Thank you.
